Short Answer Questions: Please answer the questions below on an additional piece of paper and submit with the application package. We are looking for examples of how your experiences prior to entering into your occupational therapy degree program as well as what you have learned as an OT student will help to lead occupational therapy forward as an emerging profession within Trinidad and Tobago. Please limit each answer to 500 words.

1). What has lead you to become an occupational therapy student, what drives you to become an OT? (500 words max).

2) How would you like to see the profession of occupational therapy develop within Trinidad and Tobago over the next 5 to 10 years? (500 words max).

3) Please discuss the importance of engaging in professional development within the context of working as an occupational therapist in Trinidad and Tobago. (500 words max).

4) Please describe a time where you have really felt pushed beyond your ability but have succeeded as you pursue this career path of becoming an occupational therapist? (500 words max).

_____ (initials) I understand that if I fail to complete my occupational therapy degree program or fail to complete at least one year of practice (public or private) within Trinidad and Tobago within 5 years of my graduation, I will be responsible for reimbursing the full amount of my award to the Trinidad and Tobago Occupational Therapy Association.

The information provided above is true to the best of my ability.
